

「研究のすゝめ奨学金」概要

	Eligible Students	Selection Period	Amount (AY 2016)	Screening and Selection Method	Number of Scholarship Students in AY 2016
Graduate School of Letters	First-year master's student	After enrollment	300,000 yen	Submission of applications will begin after the entrance examination results are announced. The quota for recommendations will be decided based on a number of factors such as the number of students enrolled in each department and the number of scholarship applications. Final selections will be based on the recommendations by each department, etc.	23
Graduate School of Economics	First-year master's student	Before enrollment	300,000 yen	Selections are based on the student's entrance examination results and academic grades during their undergraduate studies.	6
Graduate School of Law	First-year master's student	After enrollment	300,000 yen	Screening of documents	16
Graduate School of Human Relations	First-year master's student	Immediately after enrollment	300,000 yen or 500,000 yen	Details, including application information, will be announced on the admissions guidelines and the selection will be based on the screening of applications.	7
Graduate School of Business and Commerce	First-year master's student	Before enrollment	300,000 / 500,000 / 700,000 yen	For successful test-optional applicants, selections will be based on their academic grades during undergraduate studies. For successful applicants who took the regular entrance examination or the entrance examination for international students, selections will be based on their examination results.	6
Graduate School of Medicine	First-year master's student	—	300,000 yen	As a general rule, all newly enrolled master's students will be awarded the scholarship. However, if the number of newly enrolled students exceeds the quota, a selection will be made based on the student's academic grades at the time of admissions. Furthermore, if the number of newly enrolled students does not meet the quota, there will be selections made from among second-year master's students with excellent academic records.	32
Graduate School of Science and Technology	Doctoral student	TBD	300,000 / 500,000 / 700,000 yen	Screening of application documents	65
